Miami University • Oxford, OH

Bachelor of Science, Expected May 2017

- Major: Mechanical Engineering

TRAININGS AND SKILLS

OSHA 30 Hour Construction Industry Outreach • AutoCAD Basics • AutoCAD Beyond the Basics
Proficient in MATLAB, AutoCAD, Microsoft Office

WORK EXPERIENCE

AutoCAD Technician Intern, KAYA Associates • Lexington, KY • May 2016-August 2016

- Assisted in the correction of engineer's redlines to various government based projects
- Drafted and submitted drawing packages for site preparation
- Updated As-builts per completion of project

Mechanical/ Cost Estimate Intern, KAYA Associates • Huntsville, AL • May 2015-August 2015

- Responsible for managing multiple projects including HVAC, plumbing, and system case studies
- Generated Design Criteria Statements for mechanical designs to be cost estimated
- Organized meetings with clients to discuss updates and reviews for projects
- Performed site visits and surveys to update As-Built drawings
- Created cost estimates for architecture, mechanical, and electrical design projects

Disney College Program, Walt Disney World Parks and Resorts • Orlando, FL • May 2014 – December 2014

- Participated in multi-dimensional team that engaged and served 15,000 guests per day in various Parks on Disney property
- Demonstrated excellent verbal and written communication skills through daily customer interactions
- Managed multiple tasks and worked well under pressure
- Completed Disney education and networking events with full time engineers
 - i.e. EnginEAR's Day exploring behind the scenes of Disney manufacturing and system plants and coordinated with current engineers through interactive workshops creating sample design projects and processes

COMMUNITY INVOLVEMENT AND LEADERSHIP

Theta Tau • October 2013-present

- Service Chair, Spring 2015; Organized service events for 60+ members including:
 - STEM Outreach for local elementary school teaching students importance of math and science through engaging activities
 - Coordinated volunteer opportunities within Engineering school with tours and Q/A sessions for potential new students
 - Created teams for local Relay for Life event
 - Assisted local Habitat for Humanity chapter in builds and fundraisers

Asian American Association • September 2013-Present

- Executive Member-Fusion Director; August 2015-May 2016
 - Directed 75+ members in "Fusion" dance show promoting diversity awareness on campus
 - Coordinated with school officials to book practice rooms, final setting place, and sales
 - Designed flyers and posters to be distributed throughout campus
 - Choreographed a dance along with a fashion show to begin the event
 - Given recognition and Event of the Year award for "Fusion"
